IT Help Desk support Tech

Carbondale, IL 62901 | 618 - 921-1210 | devinroach03@gmail.com | Cybersecurity & IT Portfolio Link

I love technology, whether it is a troubleshooting/problem-solving task or just talking to the user, I always enjoy it. I always challenge myself to be better than myself yesterday. My goal is to continue expanding my knowledge of cybersecurity and information technology while gaining professional experience in the field.

Work experience

IT Help Desk Support • Southern Illinois University • Carbondale, IL February 2026 - Present

- Answer calls/live chats, responding to tickets
- Investigating Admin Interface or Splunk lock outs, password resets, MFA
